Difficulty: 4/5

## Emma's Discovery

Em looked at her friend Violet, pulling odd faces. "Are you sure about the 1st? I know, we had a bet, eh? But if you're worried you could admit defeat." "Oh, it's fine. Hey, it's so long since we two had tea and a chance to exchange news, and have a gab, eh?" Em snatched Violet's phone and saw mail: "Re: Em - distracting her on 2nd with visit to the dam. See if you can keep her elsewhere, while we see if a gate can open." Em said drily, "Isn't that odd?"
